✓ In the TL Large conference room you can also share your screen wirelessly using Solstice access. To access Solstice open a browser and go to https://10.166.11.209. Click the Advanced button as shown below and then the link to proceed to the website.

✓ Click the Share my Screen button. To access the four digit code tap the Share Screen button on the tabletop console panel. Select Solstice Pod and tap Share in call.

✓ The four digit code will appear on the monitor.

✓ Enter the code and select how you want to share your screen and click the Share button.
